ENERGY ANYWHERE

MOTORCYCLE

JETSKI

ATV / QUAD BIKE

The REMCO AGM Powersport XTRA range is designed for those who are passionate about their leisure vehicles, whether it's your everyday motorbike, your weekend quad or your holiday jet ski, have the confidence to ride longer with REMCO.

Suitable across seasons, our Powersport XTRA batteries deliver ultra high performance power to meet the demands of large American and power hungry motorbikes & jetskis. Ride with freedom knowing your REMCO can handle the demanding requirements of repeated cold-season starts and quick battery recovery.

Key advantages of AGM Powersport XTRA

Ultimate starting performance
Huge cranking power

Ready to go
No need to add acid

Super vibration resistant
For rough and bumpy trails or waves

Flexible mounting
100% spill-proof multi position fitment

High charge acceptance
Suitable for bikes with regenerative charging systems
