RM-100PSP

Features:

- 100-Watt Peak Power
- Tough IP65 Waterproof rating
- Easy connection
- Compact design
- Compatible with REMCO PowerStations RM-600PS & RM-1200PS
- 5 Year Warranty

Specifications:

Peak power	100W
Open circuit voltage	24.0V
Max. power voltage	20.0V
Max. power current	5.0 A
Short circuit current	5.25A
Solar cell type	Monocrystalline silicon
Solar cells Efficiency	22.0%
Folded size	615x560x35mm
Unfolded size	1230x560x25mm
Operating temperature	-40°C- 85°C
Waterproof grade	IP65

Suitable for:

RVS +
CAMPING

CARAVANS
+ TRAILERS

4x4
